Call for Vendors for Cruise Welcome Park at the Port of Corner Brook

The Corner Brook Port Corporation is accepting applications for vendors for the cruise ship market for the 2022 cruise ship season. We are looking forward to a busy season with 24 vessels scheduled from Friday, May 6th until Sunday, October 16th. The full cruise ship schedule is attached. The port is constructing a cruise passenger welcome park to be ready for guests by August 5th. A primary feature of the welcome park will be permanent salt box style market sheds for our vendors. These sheds will be leased for the season starting in August, and preference will be given to vendors who commit to operating for the full season.

In addition to the market sheds, the welcome park will include a new performance area for musicians with seating for guests, permanent washroom facilities, selfie spots for tourists to take photos to showcase our culture and scenery as well as landscaping and seating throughout the area.

The market will be open for cruise passengers on ship days and we are working to have the Welcome Park added as a stop for motorcoach tours. The park will only be open to the general public for special events. There will be scheduled times for vendors to access the sheds on days when there are no cruise vessels, in the event that they need to access their inventory or prepare for upcoming days.

Specifications:

- The sheds will have electricity, windows, and two entrances to minimize congestion and allow for social distancing
- There are two different sizes of sheds, 12'x 12' and 12' x 16
- Vendors who wish to partner with another vendor for shed rentals should submit one joint application listing all applicable information for both vendors.

Rental Rate for 12' x 12' shed for season: **\$900 + HST**

Rental Rate for 12' x 16' shed for season: **\$1,200 + HST**

*Please note that shed size is subject to change

*Please note that a 50% deposit will be required prior to the beginning of the season.

If you are interested in being a part of this new and exciting opportunity, please submit your application by email to the address below. Deadline to apply is **Friday, April 22nd, 2022**. Please note that priority will be given to vendors who have quality products that promote Newfoundland and Labrador as well as Canada. If you have any questions, please do not hesitate to contact our office at 709-634-660 or email jchow@cornerbrookport.com.

Please note that employee and visitor safety will continue to be at the forefront of our day-to-day operations. All passengers and crew members visiting our port are required to be vaccinated by their respective cruise line and Transport Canada. There will be signage promoting social distancing and sanitization areas located throughout the cruise welcome area. The port takes all safety precautions seriously and adheres to the guidance of Transport Canada, the Government of Canada, as well as measures implemented by the Provincial Government of Newfoundland & Labrador and public health.

The Corner Brook Port Corporation released a vaccination policy effective January 17th, 2022, for all employees. This policy is a directive of the federal government as the Port of Corner Brook is a federally regulated workplace. The policy requires all employees to be fully vaccinated against Covid 19 unless they have a medical exemption.
